## HOW TO APPLY

Registration for the school year begins the first week of February. Prospective parents call the office beginning in January to schedule a school visit or testing appointment. Each incoming student will be asked for the following:

- Most recent school record of progress
- Immunization records
- Birth certificate
- First Communion date
- Social security card

All parents are asked to contribute 40 service hours to the school as well as participate in mandatory fundraisers. Parents who choose not to participate are given the option to "buy out" of these requirements.
